Renewal Conditions / Limitations / Comments

01

An application to renew a license may be submitted after January 1 in the year of expiration. You are responsible for the following renewal conditions even if you do not teach in this licensure period. Licensing information and forms are available at <http://education.state.mn.us>

Renewal of license(s) will require completion of 125 clock hours verified by a Minnesota local continuing education committee. If you have been or are currently employed by a Minnesota district, you must affiliate with the local committee. If you have never been employed in a Minnesota district and your license has lapsed, you may renew your license by submitting an official transcript verifying 12 quarter or 8 semester credits in the licensure area or in general education courses. The credits must have been earned during the five-year period immediately preceding the renewal.
